Information for Visitors

Welcome to the LWMRS 45th model railway exhibition. Staging the exhibition involves considerable effort and our thanks go to all our members, their partners and friends of the Society who give up their time both during the year and on the weekend of the show.

The event would not happen without the huge number of exhibitors that take part, and our grateful thanks go also to the layout owners and operators, traders, societies and others who have given up their time to be here this weekend, the St John Ambulance volunteers, and to all the college staff who are working here today and those who have helped with the organisation over the past twelve months.

Our exhibition is held in several parts of the college - the atrium and ground floor corridor; the sports hall; the 1st floor balcony, 1st floor rooms and library. Please make sure you see them all before you go!

Information: If you need any information or assistance during the exhibition, please go to the information desk in the centre of the atrium or ask any of the stewards (identifiable by their high-vis jackets) who are on duty in each area.

First Aid: First Aid cover throughout the exhibition is provided by St John Ambulance volunteers - the first aid room is situated along the corridor leading to the sports hall, and the volunteers can often be spotted patrolling the rooms. Any of the stewards will be able to call assistance for you, or escort you to the first aid facilities.

Wheelchair users and any visitors with restricted mobility: All areas of the exhibition are 'wheelchair friendly', with level access or ramps to avoid steps, and a generous sized lift connects the atrium and ground floor with the first and second floors. Please ask a steward if you need help in locating or operating the lift.

Unfortunately the sports hall is in a separate part of the building, and under cover access is only possible using a flight of stairs. Level access avoiding these stairs is via the outside of the building - leave by the main entrance and follow the path round, keeping the building on your right hand side - and entering the sports hall via its external door (use the door-bell if closed.). Stewards will be very happy to accompany you if you wish - just ask at the enquiry desk. Wheelchairs are available for any visitors who would benefit - again, please ask at the enquiry desk.

Catering: Refreshment facilities are provided by college catering staff throughout the exhibition, from 10.00 a.m. until about 4.00 p.m. each day. Drinks and snacks are available all day, with hot meals (inc. Sunday lunch) from 12.00 - 1.30 p.m. each day.

Coin operated vending machines are available when catering facilities are closed.

Shuttle bus: Visitors who have used our free shuttle bus service from the railway station please note that the last bus back to the station will leave immediately after the exhibition closes each day.

We hope that you enjoy your visit to our exhibition. We do value your comments and do try to take on board any suggestions as to how we could improve it in future years. We would be very grateful if you would take a few minutes to complete our **online feedback survey** at <http://survey.lwmrs.co.uk>

If you would like to know more about the Leamington and Warwick Model Railway Society, come and talk to any of our members on the information stand in the atrium, check out our website at www.lwmrs.co.uk, or come along to the **Society's Open Day** on Saturday 21st March, 11.00a.m - 4.00p.m., at our Clubroom near Knightcote - ask at the information desk for directions.

LAYOUTS

- Barton Hill** 4

SOCIETIES

2mm Scale Association 14

info-2@2mm.org.uk
www.2mm.org.uk
The 2mm Scale Association exists to promote and facilitate modelling at the scale of 2mm:1ft. Members receive a bi-monthly magazine and newsletter, and have access to an on-line list to chat to each other about anything pertinent to 2mm model making.

Coventry Model Engineering Society 2

info@coventrymes.co.uk
www.coventrymes.co.uk
We are a friendly society with members who have interests in all aspects of Model Engineering

DEMU 5

membership@demu.org.uk
www.demu.org.uk
DEMU welcomes all modellers of Britain's Diesel & Electric traction, regardless of scale/gauge affiliations or modelling ability. We aim to promote all aspects of this period through our quarterly magazine 'UPDate' and our members-only web forum.

Double O Gauge Association 22

membershipsec@doubleogauge.com
www.doubleogauge.com
The Double O gauge association is the national and international body for all modellers in 4mm to the foot 16.5mm gauge. We can help you get more out of your OO railway modelling and develop your skills

EM Gauge Society Ltd 13

info@emgs.org
www.emgs.org
One of the largest societies catering for the 4mm finescale modeller

European Railways Association 18

expos@eurorail.org.uk
www.eurorail.org.uk
Internet based society covering European Railways, prototype and model

THE UK Model Shop Directory
The LARGEST Online Resource for British Modellers
Includes: a 12 Month Exhibition Calendar
Comprehensive listings of Clubs, Shops and Suppliers
www.ukmodelshops.co.uk

Friends of the National Railway Museum 36

01904 636874

outreach@nrmfriends-south.org.uk

www.nrmfriends.org.uk

FNRM are here to describe the services and exhibits at the National Railway Museum, with a range of memorabilia for sale

Knightcote Model Boat Club 6

chrismoiruk@btinternet.com

www.kmbcmodelboatclub.com

A friendly club available to members dawn until dusk, seven days a week.

LNWR Society 11

membership@lnwrs.org.uk

www.lnwrs.org.uk

The society aims to foster interest in all aspects of the London & North Western Railway, its constituent companies and joint lines

LWMRS Club Stand 1

info@lwms.co.uk

www.lwms.co.uk

The Leamington & Warwick Model Railway Society has over 80 members mainly from South Warwickshire and the surrounding areas. We occupy spacious club rooms just outside Leamington Spa with over 3,500 sq ft for layouts, a discussion area, library and kitchen. We have a number of club layouts in various stages of construction - in O, P4, OO and N gauge - and the club layouts regularly appear on the exhibition circuit and in the modelling press. If you would like to know more about our Society, please pay us a visit.

MERG 7

www.merg.org.uk

The Model Electronic Railway Group (MERG) is an international and UK based group promoting interest in the application of electronics & computers to all aspects of railway modelling

009 Society 32

memsec@009society.com

www.009society.com

We aim to support beginners and experienced modellers alike, the scratch-builder, the kit builder and the modeller who prefers ready-to-run equipment, so whether you're already active in small scale narrow gauge railway modelling or wish to take your first steps, you'll find a welcome in the 009 Society.

Scalefour Society 29

enquiries@scalefour.org

www.scalefour.org

The Scalefour Society promotes finescale modelling in 4mm scale and in particular the use of P4 track and wheel standards. Visit our stand to see how the society could help your modelling.

Stratford and District Model Railway Club 21

alwyn.annels@btinternet.com

www.sdmsrc.co.uk

Model railway club based at Cutlers Farm, Bearley, Warwickshire

If you would like to visit our clubroom we are holding an

Open Day

Saturday 21 March 2020
from 11.00am - 4pm.

A map and directions are available from the Club stand in the Atrium.
